Additional guidelines are as follows:

- Salon showcase window(s) must be key locked each night prior to your departure, after the show closes.
- Each salon showcase window must be secured with a uniquely keyed lock.
- Coverage is available only for merchandise secured in a showcase window(s). Merchandise to be covered **must** be visible and able to be photographed.
- Coverage is available only for the non-show hours indicated on the newly revised *Overnight Showcase Insurance Inventory: Merchandise Memo Form*. Coverage is not provided on set up day.
- You are required to complete an *Overnight Showcase Insurance Inventory: Merchandise Memo Form* before coverage can be bound. This **form must be updated and signed** for **each night** that you desire coverage.

Failure to complete and submit this form each night will void your coverage in the event of an occurrence.

Failure to complete and submit this form for each night will void your coverage in the event of an occurrence.

- To complete this form, participating exhibitors **need to provide a piece count and the aggregate value** (at cost) for all covered inventory to be displayed. The participating exhibitor will still need to be able to produce the appropriate itemized inventory documentation to substantiate any claim in the event there is a covered loss, should a covered loss occur.
- If you will be leaving the exact same product in your salon showcase window(s) each night, you must still sign the form each night.

Once your form is complete:

- On the first day of the show, submit your form to the Jewelers Mutual Insurance Company booth within 60 minutes of show closing. This will be our indication that you are ready for your salon showcase window(s) to be photographed when the show closes for business.
- A member of our security team will come to your salon to digitally photograph your salon showcase window(s) and confirm that all showcase(s) are key locked. The digital photos will be time date stamped.
- A designated associate must remain in your salon every night until the salon showcase windows are locked and your form has been signed/dated for that night. If your value will remain unchanged throughout the event, you may choose to execute the form in advance for all nights of coverage offered. If you choose to pre-fill the form on the first day of the show, you may depart after the show closes and cases are securely locked on subsequent nights.
- Covering your merchandise inside the showcase window(s) prior to us photographing will void your coverage.

On the remaining days of the show, a Jewelers Mutual representative will stop by your salon at the show closing to obtain an updated signature and to photograph the showcase(s). If values are not changing from one night to the next, the form may be pre-filled for each night of coverage desired.
