In-Booth CCTV Systems and Booth Monitoring Personnel to be provided by Century Security

Century Security, is offering CCTV (Closed Circuit Television) systems to the exhibitors for this event, for use in their booth or meeting room space. These CCTV system are offered in conjunction with either armed or unarmed security officers for use during the event. The pricing for these systems includes installation/dismantle, the number of digital cameras by package, DVR (Digital Video Recorder), 24 hour real-time digital recording. Monitors are sold separately. Each systems has the capability of writing the video to USB drive, but is only completed if an incident occurs at the booth. We advise you to contact your insurance company prior to completing your order to ensure you have met their requirements. For orders placed in advance of the move in of the show, the CCTV system rented will be set the day prior to the event, at which time the recording will begin, recording will stop when the unit is removed from the booth on the evening the event closes. Additional cameras are also available as rentals.

Century Security is the exclusive CCTV provider for this event. Century Security is not an insurer. Charges are based solely upon the value of services provided for, and are unrelated to the value of the clients' operations property or the property of others. The amounts payable by the client are not sufficient to warrant assuming any risk of damage or loss to property due to Century Security's negligence or failure to perform. Century Security, its agents and representatives, will provide all necessary safeguards and shall assume no liability for life, accident, theft of property, damage to property or any other loss due to factors beyond our control. The client, by signing this agreement, holds Century Security harmless for any and all losses and agrees to have in effect at the time of signing this agreement insurance to cover all product, and personnel damages and any claims arising from engaging in business as an exhibitor. If an incident occurs and the client is requesting the footage, the deadline for this is at the close of show. Requests beyond that could take up to 120 days to receive booth footage. The expense of the USB drive will be billed to the client. Century Security will send out final invoices and receipts within ten (10) days after the close of the event.
