PRIVATELY OWNED VEHICLES (POV) SERVICE

FREEMAN will provide this service for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

Workers equipped with a flat cart will assist Exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. For safety reasons, it will be the judgment of the Freight Supervisor if the load can go higher than 3 feet. POV Service includes storage of cardboard/product boxes at no additional charge. Empty stickers will be provided for this service.

RATES:

This service is available at a round trip rate of **\$160.50 per trip.**

DIRECTIONS:

- To receive this service, proceed directly to the POV Check-In area (see map) and check in at the designated area. There will be signage posted to direct you.
- Two people must be with the vehicle - one to accompany the product to the booth and one to remove the vehicle from the area.
- Exhibitors who require more than 20 minutes to unload must use material handling services.
- The determination of POV Service versus Material Handling will be made at the discretion of management. Any disputes will be handled at the time of unloading.
